Sym FNX 125cc 2020

This Scooter is packed full of market leading technology.

£2,399 ^{+OTR}
from £107.12 p/m

SYM latest Scooter the FNX 125cc is packed full of market-leading technology and a great choice for your next partner for the road. With the all-new A.L.E.H frame technology which stands for “Anti Lift Engine Hanger System,” it gives a lower centre of gravity providing a smooth and stable ride, complimented by disc brakes front and rear and a CBS braking system its makes the SYM FNX one of the safest and most usable scooters on the market today. Other touches such as its clear and precise digital clocks which show speed, tachometer, time, fuel and a voltmeter. The display also automatically adjusted the brightness to suit both day and night time riding. Built-in USB charging point, push-button remote seat release which opens to give access to enough storage for a full-size helmet and more. The fuel cap is also released using the ignition switch. As with all Syms above 124cc it comes with a market-leading 5-year warranty and a great price of only £2399 + OTR meaning the Sym FNX is a must-see when considering your next Scooter. Go find your dealer to see this latest offering from SYM, over 60 years of excellence!
